## We do not have a copy of your patient forms.

Our service includes converting your patient forms to PDF, so your new patients can download, print and fill out the forms at their convenience. Please follow our instructions to get your patient forms online.

If you **have** a digital copy of your patient form(s):

1. Please email it to [ken@dentalwebservices.com](mailto:ken@dentalwebservices.com)
2. Do not scan your forms. We have our own scanning process that will increase the quality and minimize the file's size.
